The Mission of HOSA

To enhance the delivery of compassionate, quality health care by providing opportunities for knowledge, skill and leadership development of all health occupations education students, therefore, helping students to meet the needs of the health care community.
WHAT IS HOSA?

Health Occupations Students of America

A National organization for students pursuing careers in the health care professions.

• Endorsed by the United States Department of Education.

• Organized in 1976.

• Now includes over 70,200 students with 2,300 chapters in 37 states.

MOTTO

“The hands of HOSA mold the health of tomorrow.”
THE GOALS OF HOSA

• To promote physical, mental and social well-being.
• To deliver effective leadership qualities and skills.
• To develop the ability to communicate more effectively with people.
• To develop responsible citizenship traits.
• To make realistic career choices and seek successful employment in the health care field.
• To develop an understanding of the importance of interacting and cooperating with other students and organizations.
• To encourage individual and group achievement.
• To develop an understanding of current health care issues, environmental concerns and survival needs of the community, the nation, and the world.
• To encourage involvement in local, state and national health care and education projects.
The HOSA Creed

• I Believe in the Health Care Profession.
• I Believe in the profession for which I am being trained; and in the opportunities which my training offers.
• I Believe in education.
• I Believe that through education I will be able to make the greatest use of my skills, knowledge, and experience in order to become a contributing member of the health care team and of my community.
• I Believe in myself.
• I Believe that by using the knowledge and skills of my profession I will become more aware of myself. Through fulfilling these goals, I will become a more responsible citizen.
• I Believe that each individual is important in his or her own right; therefore, I will treat each person with respect and love. To this end, I dedicate my training, my skills and myself to serve others through Health Occupations Students of America.
